8/20/2022 District Picnic Ride

We met up at the usual BP in Fond du Lac to go to Westfield to the District Picnic. We had 3 vehicles(autos), due to rainy weather, with 4 members and 2 non-members.

Leaving FDL, we took a little tour of Ripon due to a missed turn, it even happens on 4 wheels too! Finally, we arrived in Westfield at Pioneer Park. We totaled 59 miles for the day!

8/27/2022 Ludington Tug

Meeting up at the Machine Shed we had 4 bikes and 6 people (Todd/Lori Schneider, Lynn/Mary Randall and Al/Barb Enderby) all dressed in full safety gear!

We left Appleton and rode all rural roads with some nice country scenery. When we reached Kewaunee, one would expect cooler temps, but not today! The Tug Ludington was our stop, and a self-guided tour. Something different and unique.

A total of 77 miles for the group.

8/27/2022 Kewaunee Return Trip

After our visit of the Ludington Tug, our group split up to return home as it looked like rain was headed our way. We had 3 bikes from Chapter C (Lynn & Mary Randall, Todd Schneider and Lori Schneider). We headed towards Two Rivers and took a few back roads. We hit rain as we were nearing Brillion. Rain was not in the forecast until later in the day, so we did get WET! We were all in safety gear and had a total of 73 miles before Lynn & Mary left us in Oshkosh to head back home to Fond du Lac. It is always an adventure on the bikes!

9/4/2022 Old World Wisconsin

Four Chapter C bikes (Al and Barb Enderby, Lynn and Mary Randall, Todd Schneider and Lori Schneider) left Fond du lac and headed down to Old World Wisconsin in Eagle Wisconsin. After spending several hours exploring the grounds we headed back to Fond du Lac. We put on 169 miles as a group of at least 3 bikes and we were all in safety gear.
