### From The Director:

In case you were not at our gathering last month, I announced that I will be stepping aside as your Chapter Director. Our November gathering is the last one that is scheduled for Chapter K. I have enjoyed my time the last couple years, but it has been a real struggle to bring this chapter back to life. Recently, among other things, family obligations have put a bigger priority on our lives, and so it is my decision to step aside.

Cheri and I wish you a Happy Thanksgiving and a Blessed Christmas Season!
