From the Directors:

Hello Everyone,

Looking back at the last month it seems like everyone has been busy, but still getting some riding time. That included the LaCrosse Ride-in for several of our members. Everyone had a great time at the ride-in, our thanks go out to Don & Cheri Walloch for putting together such a great event! It was a great opportunity to mingle and visit with so many wonderful people!

We are all eagerly awaiting next years ride-in. It will be in Hannibal MS from August 13th – 15th at the Quality Inn and Suites. Reservations are being taken now, and I would tell you to not delay calling if you are even thinking of going. Several of us already have our room reserved!

Our District Ride In Picnic is this Saturday August 24th, at the Pioneer Park in Westfield. There will be Brats & Hot Dogs, lunch is served from 11:30am – 1pm. Fun games will follow as well as 50/50! So far it looks like our weather will be fabulous, so come join us and have some fun before summer fades away!!!!

Wing Ding is coming next week and a few of us will be going. Can't wait to participate this year. It's the first time we are able to go in several years. It should be an awesome time! We are also very proud to be going to represent Wisconsin as the district Couple Of the Year!

September 20 & 21st is the last of the local district rally's. It's the Iowa rally in Oelwein, and Tina and I will be attending that, so let us know if you are interested in riding over together!

As much as I hate to mention this, it is time to start thinking about cooler temperature riding. By the end of the September the low temps are in the 40's so please plan accordingly.

Wing Riding Wisconsin

The only group rides we managed included a guided ride from Lacrosse into Minnesota that 4 bikes from our Chapter were able to go on together. That was followed up by a group ride from LaCrosse to Rockton for chicken on Sunday, and then on home.

Remember to report any 50 mile ride with 3 vehicles (must have at least 1 bike/trike) to us

so we can include the info in the newsletter. Thank you!
