

Christmas brings a world peace
For all to wonder and fighting does cease.
A miracle it seems, impossible to achieve
But nothing is impossible for those who believe

Christmas is a really great time to get together with friends and family. Some of whom you only get to see at this time of year. You'll be amazed at the FUN catching up with them and sharing your adventures will bring. Imagine the FUN you all can have if they were able to attend/share these adventures with you while they happened!! Here is how this might be accomplished:

- Reach out to them when planning your trips
- Solicit their input on what they think would be FUN
- Invite their friends as well as yours, especially those you have not seen in a while
- Encourage all to invite friends they feel would enjoy the adventure

This approach might also be helpful in adding Members to your Chapter. We all have friends that used to ride/attend events, but we have not seen in a while. Reach out to invite them to attend again. Make sure to work with them to plan a time/place they can attend. You'll be amazed how many would **LOVE** to hear from you. Who knows? They may start participating again and just maybe bring new friends along!!

2020 promises to see many rides, rallies and events. Make plans to attend an event at several Chapters. You may even have a chance to attend [Wing Ding 42](#) in Springfield, MO. June 30- July 4, 2020.

Plan to attend the 2020 [District Rally](#) being held at the Hotel Mead in Wisconsin Rapids on June 19th and 20th 2020. The theme is "[The Roaring 20's in 2020](#)". Make plans to attend with your whole Chapter! It will be a blast! "Now you're on the trolley!"

The entire District Team would like to thank all the Chapters that participated in the **Wing Riding Wisconsin** game this year. It was fun reading about all the rides and seeing the competition among those that wrote articles. Congratulations to Chapter C for winning this year's game. Hopefully everyone is making plans for rides and adventures for 2020. Don't forget to reach out to all those friends and family that may not have been around lately. You never know how many may have read about your Chapter's adventures and want to participate and don't forget to invite that couple you met at the gas station or restaurant. They may become new Members based on your invite.
